August Focus

We are introducing a 'Monthly Focus' to highlight work that is going on within Redress Scotland. This is for organisations or individuals who support survivors, to give more information about the work that we do.

We have used the email addresses which were linked to the previous engagement sessions that took place in February. If you would like to unsubscribe to this monthly spotlight or would like to change the email address which it is sent to, please email at 'hello@redress.scot' and let us know.

In-person Survivor Engagement Session

We had the pleasure of meeting with a group of survivors and also some of their family members in Glasgow a couple of weeks ago to speak about some areas within Redress Scotland and to gather feedback.

We had a chat about Redress Scotland's decision letters and also some legacy work that we are hoping to carry out in the near future.

We gathered excellent feedback from the session and were very grateful to those survivors and family members for taking the time to spend the day with us.

We look forward to hosting more sessions like this in the future.

Meet the Team

This 'Meet the Team' section will introduce a member of our team and tell you a bit about them and their job role.

Hi everyone, I am Rachael Boyle and I am the Engagement Lead at Redress Scotland. I have been working here for just over 9 months now and can honestly say it is one of the most rewarding roles I have ever done.

My role at Redress Scotland allows me to work directly with survivors and survivor organisations, gathering feedback where possible to improve our work at here at Redress Scotland. I am involved in the in-person meeting process. Part of my role also involves quality assuring decision letters that are being sent to survivors. If anyone has any feedback or any questions and would like to get in contact, you can email hello@redress.scot.
